Comfort in action.
Relaxateeze Collections

Introduction

Since our launch in 2002, Relaxateeze has moved on to become more than just a Recliner Chair manufacturer. We have since become a purveyor of beautifully upholstered lounge chairs, club chairs, accent chairs, two and three-seater sofas, swivel recliners and contemporary sofa beds as well as providing mobility support across a range of our chairs.

Relaxateeze is a brand that prides itself on offering timeless, high quality chairs suitable for both traditional and contemporary homes with various options on offer from electric massage action to specially designed lift and tilt chairs.

Precise attention to detail is the hallmark of Relaxateeze; all of our chairs go through rigorous quality control procedures to ensure they are built to last and maintain a high standard of excellence. Our chairs are upholstered in a variety of leathers and fabrics and adorned with flush fittings that accentuate the quality and level of craftsmanship put into these remarkable pieces of furniture. Relaxateeze is a brand that simply emanates style; comfort and practicality, a brand that aims to be the number one recliner chair manufacturer of the 21st Century.

With Relaxateeze, we are constantly striving to produce innovative, practical and stylish new products. Over the years, we have produced some excellent sofa beds that are both fashionable and practical, a range of mobility chairs with lift and tilt action, electric recliners with heat and massage action and more recently; dual motor technology that allows independent movement of the back and chaise to enable a multitude of different seating and reclining positions that ensures guaranteed comfort to the end user.

Benefits of being a Relaxateeze Stockist

- Fast delivery from stock
- Excellent after sales support
- Promotional offers exclusive to stockists only
- National advertising support
- Website support and information
- Local support from our Relaxateeze representatives
- HomeSpeed Delivery Service Available
- Mobility support available
- FREE Marketing support – Point of sale, brochures, promotions, etc.
- FREE Online support promoting your store

Comfort in action.

Swivel Chairs

Swivel Chairs

Chair Maintenance

- The fittings for our swivel chairs must be tightened at least every three months.
- The chair should not be assembled if any fittings are missing from the pack.
- Do not sit or stand on arms or stool.
- Do not use power tools as they can damage threads.
- Any warranties offered with this chair will be deemed null and void should you not follow our instructions.
- Ensure all feet are correctly positioned before tightening fully.

Upholstery

Care Information

Caring for Leather & Bonded Leather/Faux Leather Upholstery

- The fittings of our chairs should be tightened at least every 3 months
- The chair should not be assembled if any fittings are missing from the pack
- Do not sit on arms or stool
- Do not use power tools as they can damage threads
- Do not expose leather/faux leather/material to direct sunlight
- Clean chair only with luke warm water -
No detergents/soaps or polish spray
- Do not place furniture near heat source: radiator etc
- We recommend weekly cleaning of the chair in particular arm/headrest there by protecting the parts that come into contact with skin.

ANY WARRANTIES OFFERED WITH THIS CHAIR WILL BE DEEMED
NULL AND VOID SHOULD YOU NOT FOLLOW OUR INSTRUCTIONS.

Club/Accent

Chair Maintenance

- The fittings for club chairs must be tightened at least every three months.
- The chair should not be assembled if any fittings are missing from the pack.
- Do not sit or stand on arms.
- Do not use power tools as they can damage threads.
- Any warranties offered will be deemed null and void should you not follow our instructions.

Peace of mind

All of Relaxateeze products are sourced from carefully chosen materials and suppliers who share our commitment to produce quality, durability and with affordable design.

All of the products undergo testing and continued R&D to improve components and overall quality on a continuous basis. Consequently every one of the products is endorsed by a product warranty which covers the structure of your furniture and all other components for a period of 2 years against faulty or defective manufacture.
