the master craftsmen

Welcome to Nathan, a respected name in furniture for more than ninety years. We use solid timbers, combined with the best quality veneers, to the highest specifications. You expect the best and Nathan provides it!

timeless

Nathan's eye-catching Classic Range blends timeless design, outstanding comfort and superior craftsmanship. A wide choice of options, pieces and total flexibility makes this the ideal collection for today's lifestyle.

for life

Build quality, as you would expect from Nathan, is solid and enduring. The joinery is of the highest standard, with our cabinetmakers combining the timeless beauty of warm natural teak with modern construction technologies, designed to bring out the best from this stunning wood. Many pieces have a distinctive cross-banded top, emphasising the wood's quality patina. Add to this the kind of traditional workmanship that gives as much confidence as it does comfort, and you have the perfect blend of the old and the new.
