# Colonial Bedrooms

For the past seven decades we have grown from what started as a local joinery business into one of the countries leading manufacturers of Bedroom furniture.

To make the most of your bedroom, requires furniture that appeals, is highly functional and ready made to give you storage.

From the complete chemists shop to soft private preferences its nice to store it.

Accessible, but out of view.

Our bedrooms offer the widest or narrowest range of highly attractive furniture designs to make the most of your bedroom.

The extensive and carefully thought out range of cabinets in a choice of widths allows for design where traditionally there has been none, doors are complimented by a range of tasteful handles.

Complimenting our furniture we offer internal fitments and accessories for you to create the perfect storage environment.
