Glacier

Aubergine and
Jasmine

Double your delight by mixing colours to great effect. Dark sumptuous Aubergine sits perfectly against light catching Jasmine, adding contrasting character to your favourite room.

Glacier

Graphite

Don't be fooled by the quiet tones of Graphite. Add a dash of originality with a sparkling red splashback and see how bold a design you can create.

Glacier

Noce and Vanilla

Mix together modern living with timeless style by combining clean Vanilla with elegant Noce woodgrain.

The gloss doors stand out all the more against the diamond cut brick effect glass splashback.

Grey Avola is shown in the horizontal grain option. This must be specified on order.

Premier White Text and Grey Avola

Pure and simple. The clean freshness of White Text breathes life into the kitchen's heart, and perfectly complements the driftwood texture of Grey Avola.

Premier Rift Oak

The sweeping curved doors help this kitchen layout flow, and the cross ribbed grain of Rift Oak adds remarkable texture to the surface.

Folded Pillasters are a feature available in all vinyl colours.

Wave

White Text
and
Premier
Sambesi

The Wave doors use the latest technology to create a unique rippled surface, accentuated in cool White Text. Combined with exotic Sambesi in an optional horizontal grain direction they produce a light, airy and contemporary kitchen.

Sambesi woodgrain and Wave design are shown in the horizontal option. This must be specified on order.

Scoop

Portofino Cherry

Scooped out specially to take the stylish inset handles, this door is available in any vinyl and made to measure sizes.

Millennium

Mainau Birch

The softly moulded door edges make this the door for the 21st century and beyond. Mainau Birch is a refreshing woodgrain which partners vibrant colour schemes especially well.

Dramatically dark and mysterious, yet warm and comforting. The deep tones of Tobacco suit a simple style to create a modern kitchen with character.

Walnut

Geneva

The soft curving profile of Geneva equally accentuates the delicate Beech woodgrain and the rich tones of Walnut. Limitless door sizes are available to create your perfect kitchen.

Beech

Shaker

Ivory Oak

Made from the finest ingredients. Take soft Ivory Oak woodgrain doors, mix with truffle glass splashbacks and a rich walnut worktop. Irresistible.

Shaker

Lissa Oak

An urban setting or a rural look can be elegantly fitted out using the traditional Shaker style. Create a timeless kitchen in whatever space you have.

Melbury Lyon

Melbury is a classic raised panel door, now able to be curved to soften your kitchen's styling. The striking woodgrain of Lyon is a perfect partner.

Sherwood

Pale Cream

All the features you would expect in such a classic kitchen are easily achieved in Sherwood style. The tongue and groove effect doors and end panels are perfectly accentuated in the soft, welcoming shade of Pale Cream.

The simplicity of a shaker style door with chamfered and rolled edge profiles soften this style to create subtle highlights in the striking Chestnut woodgrain.

Colbourne Chestnut

Ashford

Swiss Pear

Feel at home with the gentle, warm pearwood shades. This kitchen reflects tradition with fretted window pane doors and a generously sized built out canopy.

Kielder

Montana Oak

A perfect marriage of styling and colour makes Kielder Montana Oak a versatile choice. The flexibility of door and panel sizes, makes it easy to design features often found only in hand-crafted ranges.

Glendale

Vanilla Text

Create a contemporary country look with the comforting tone of Vanilla, bringing a breath of spring freshness into your home.

Curved Doors

Curved Vinyl doors are available in all colours and a wide range of styles.

Curved Glacier doors are available with matching coloured edge.

Glacier Range

The Glacier range uses Acrylic and PVC laminated to MDF to produce the perfect gloss surface. It can then be edged with Matching Laser Edge creating a seamless join or the Dual Edge.

Ideally suited for the sleek modern kitchen, bedroom or bathroom, this range has the flexibility of made to measure sizes, with both curved and glazed doors available.
